Hakone Wave Balancing Session

We believe there are five kinds of waves in the great nature of Hakone:

-  [Mountain Waves] of Mt. Hakone.
-  [Fire Waves] from fire beneath Mt. Hakone volcano and candle lights,
-  [Water Waves] from Lake Ashinoko,
-  [Wind Waves] of clear Hakone Air, and finally,
-  [Botanic Waves] from plants, flowers and trees of Hakone,

Our original footbath, included in all sessions as a starter, invites you to feel the sensation of Lake Ashinoko of Hakone. Herbal Body Pack that injects forest energy into body is also included.
