# Welcome to Hotel de Yama

Nestled on the shore of Lake Ashi with views of the majestic Mount Fuji, Hotel de Yama is a premier Hakone destination with a commitment to traditional Japanese hospitality. Once the private villa of Baron Koyata Iwasaki, we strive to honor the legacy of this historic retreat for years to come.

Whether you are seeking a quiet refuge with therapeutic waters or a place to create new memories with your loved ones, we hope you will enjoy a stay with us here, at Hotel de Yama.

## Dining Delights

A culinary journey of Hakone awaits at each of our exquisite on-site restaurants.

### ◊ Vert Bois 1F ◊

Dine on authentic French cuisine enhanced by locally sourced, seasonal ingredients and a view of the hotel garden and Lake Ashi beyond. Decadent multi-course dinners showcase our head chef's masterful skills.

### ◊ Tsutsuji no Chaya 2F ◊

Savor an immersive traditional Japanese gourmet experience through the artfully pieced together dishes of classic kaiseki haute cuisine. Each course promises a novel feast for both the eyes and the palate.

### ◊ Lounge Bar ◊

Enjoy the view of Mount Fuji from the outdoor terrace during the day while sampling our selection of coffees and teas. At night, curl up with a cocktail on an armchair near our signature fireplace.

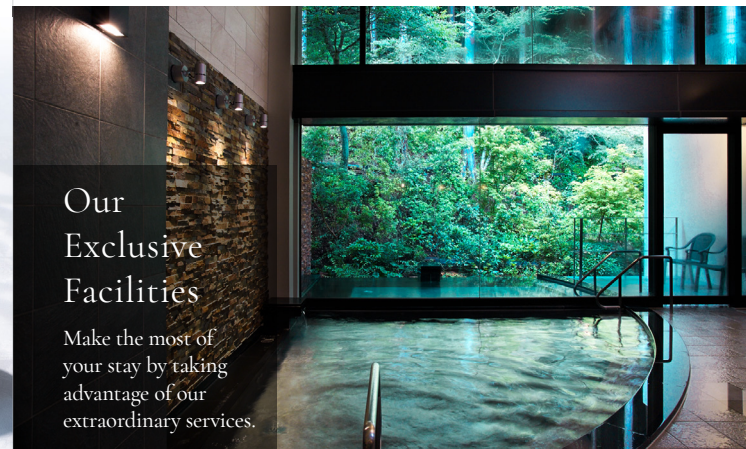

### ◊ Salon de thé Rosage ◊

Located in our lakeside annex, which seemingly floats on the waves of Lake Ashi, our tearoom serves delectable desserts with a unique view. Browse our premium shop for souvenirs to share with friends and family back home.

## Our Exclusive Facilities

Make the most of your stay by taking advantage of our extraordinary services.

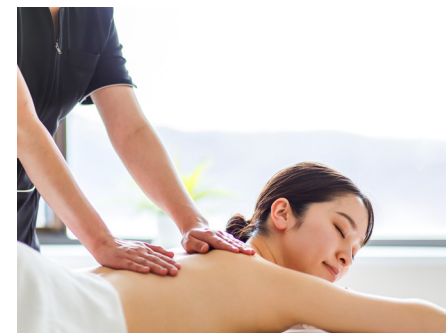

### ◊ Hot Spring Bliss ◊

At Hotel de Yama, our public hot spring bath facility Tsutsuji no Yu give guests a chance to experience a serene and authentic hot spring escape. The alkaline-rich waters are sourced from a depth of 1,000 meters and make the skin feel silky smooth. Both the men's and women's bath areas boast both a large bath and an open-air bath with views of a verdant cypress grove outside.

### ◊ Spa Montagne ◊

Spa Montagne on the hotel's top floor is a space dedicated to relaxation and exquisite pampering. Soothe your body and your soul with one of the many calming spa treatments on the menu. Couples' packages are also available.

### ◊ The Grand Garden ◊

Hotel de Yama's crown jewel is our sweeping hillside garden, which explodes into a brilliant display of color each spring. In May, much of the garden is decorated with vibrant azaleas — a nod to the era of Baron Iwasaki — but there are spectacular flora waiting to be explored in every season.
